

Heartstring Ministries . . .

. . . *discovering intimacy with God*

About Claudine

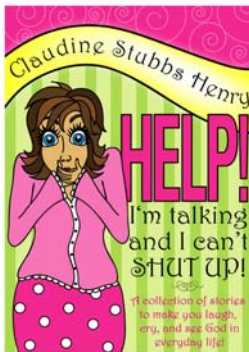

Raised in Henryetta, Oklahoma, Claudine Henry, accepted the Lord at a children's camp in when she was seven years old. She will tell you that the motto her family lived by was "when the church doors open . . . **BE THERE!**"

She attended Southern Nazarene University and majored in Christian Education. Since that time she has worked in almost every area of the church: children's director, youth director, Sunday School ministries, missions, lay-training, worship leader, writing/directing productions and most recently writing and teaching the *PrayerSurge* curriculum for her church.

In 1989 her greatest life experience began. It was during this time that both she and her husband Larry, began to experience their own personal holocaust. Plagued with unexplainable illness and eventually clinical depression, they had to find a way to serve God and believe in His promises even when it looked as though they were heading for bankruptcy and separation.

Claudine Stubbs Henry

Heartstring Ministries is an outgrowth of those years. During that time Claudine learned as never before, the power of **prayer**, the healing that comes from **praise** and the incredible **promise** of His Word.

Claudine, Larry, and son, Logan, share a home in Oklahoma City with Chance, their Labrador, and Punkum, their psycho cat.

Her first book, *Help! I'm Talking and I Can't Shut Up!* was released in 2005.

What is a Heartstring?

Webster's dictionary defines it as: "**your deepest emotion or affection**"

At Heartstring Ministries we believe that "your deepest emotion or affection" should be for your Father God and we are dedicated to teaching you how to find that intimacy. Using the spiritual tools of **Prayer**, **Praise** and the **Promises** of God's Word, you will learn how to have the relationship with your Creator that you have always longed for. Everything we do supports that goal. We are committed to serving you and helping you have a life filled with hope.

What others are saying...

"Claudine Henry is one of the most energetic, joyful, faith-filled followers of Christ I know. This lady communicates stories of God's faithfulness with great passion. Sometimes you laugh so hard you hurt, and then you find the tears flowing."

**Dr. Melvin McCullough, President,
The Nazarene Foundation**

"Claudine Stubbs Henry is a gifted storyteller, making the "ordinary" seem "extraordinary."

Louise Tucker Jones, Award-Winning Author and Speaker

"Claudine's delivery style is so welcoming. She has that extraordinary flare that keeps you engaged through tears and laughter with her timely lessons from real life living. Claudine is an excellent keynote speaker, especially for women's groups."

Donna Parker, PW Moderator, First Presbyterian Church, Guthrie, OK

"Claudine was authentic! She shared from her heart about how God has worked in her life and she backed everything up with scripture. It was refreshing to hear how God's word is still so applicable to today's issues and struggles. It is not often that you get to work with a speaker who is willing to follow what God is leading her to share, even though it meant making herself very transparent."

- **Brenda Long, Women's Ministry Council, College Church of the Nazarene, Olathe, KS.**

Since that time almost everyone in the class (PrayerSurge) has been very committed in prayer ministry and I believe it's helping change lives at our church. It's a great tool for teaching new believers as well as saints of many years to grow deeper in their prayer life."

Lewis McClain, Executive Pastor, Bethany First Church of the Nazarene

"*Prayer Surge* is a great class for all Christians—those new to the faith are taught how to express themselves in a comfortable environment, while those more mature in their walk learn new ways to communicate with Our Father."
